It is respectfully noted that the application as filed contained an abstract as evidenced by the copy of the application which is accessible through the PTO's public PAIR system.<sup>2)</sup> For the Examiner's convenience, applicants have reformatted the Abstract to fit on a single page. Favorable action is solicited.

The Examiner further requested election of one of the following groups of claims:

(II) Claims 28 and 29, drawn to a copolymer (D).

Applicants herewith elect group (I), ie. Claims 16 to 27 drawn to a molding composition, without traverse. Early action on the merits is solicited.
